AT A GLANCE

A plain-language summary. The numbered sections below are what applies.

- Ludo Fighters: cartoon combat, no blood, free with levels to unlock.
- Game Collection: for everyone, with no ads and nothing to buy.
- NPL Cricket League: rated 13+.
- Parents can ask us to delete a child’s data at any time.

1 Made to be family friendly

1.1 We make games that a family can play in the same room. No gore, no real-money gambling and no pressure to spend money.

1.2 Each game shows its age rating on its store page. This page explains what that means in practice, game by game.

2 Ludo Fighters

- **Cartoon combat, no blood.** Captures turn into short, cartoon duels.
- Free to play. Features and cosmetics unlock by level as you play.
- Play against Lumi AI, pass the phone around, or play online squads with friends.

3 Game Collection

- **For everyone.** Chess, cards, puzzles, sports and more in one app.
- No ads and nothing to buy. Coins, XP and stars are for fun and can’t be bought.
- Every solo game plays offline.

4 NPL Cricket League

- **Rated 13+.** It is made for teenagers and adults.
- Online T20 cricket in private lobbies with friends, in Nepali or English.
- Our server decides every ball, so matches stay fair.

5 Playing online with others

5.1 Online modes mean meeting other players. Our fair play policy bans abusive names and messages, and anyone can report a player. Phones and app stores also have built-in parental controls that can limit online play, spending and screen time.

6 What the games collect

6.1 Each game has its own privacy policy that explains what it collects and why:

- Ludo Fighters privacy policy
- NPL Cricket League privacy policy
- Game Collection privacy policy

7 Parents: ask us to delete data

7.1 If you are a parent or guardian and think your child has shared personal information with one of our games or this website, write to hello@lacspace.com. Tell us which game and the player name, and we'll delete it. We may ask a question or two to make sure the request is genuine.

7.2 The full steps for each game are in our data deletion guide.

8 Tips for playing together

- Play a few rounds together first, so you know what the game is like.
- Agree on play times, and use the timers built into phones.
- Talk about kind play: no sharing passwords, and tell a grown-up if someone is unkind online.
